This option allows you to reorder checks. If you need to make style or address changes, please contact the Credit Union.

Choosing this option will change your personal identification number. This change will take effect on or before the next business day.

## When using CALL 24 remember..

- It is not necessary to listen to all menu options before making a selection.
- Transactions performed after hours take effect the next business day.
- When you enter dollars and cents, omit the decimal point.
- Press \* to return to the main menu.
- Press '0' for an operator
- Press # to end the call.
